

KP.659B

195.000 €

Brand new 2 bedroom apartments in a privileged central location with amazing panoramic views, top terrace pool and garage, close to the beach and town centre.

These apartments are currently under construction and will be finished in June 2019.

Modern architecture combined with high quality materials and a central location make this estate a great option for those looking for a new apartment in Albufeira, close to the beach and the town centre with a variety of amenities such as restaurants, supermarkets, fish and vegetable market, private hospital, public transports, chemist, etc.
